

Additional Services Provided by Heidi Ho

Heidi Ho Extended Day Child Care:

Extended Day Child Care is provided outside of your child's class time. We offer a variety of time slots for families to register for each month. Each time slot is a flat rate and will be charged according to attendance. Registration will be available to families via Google Sheets on a link sent out monthly through Brightwheel. Please understand that each time slot has a limited number of spaces available due to capacity, square footage and staffing limitations.

If you would like to secure your child's spot for the year, please contact the office to calculate a monthly billing plan that will be averaged over the course of the school year for a pre-payment schedule. Prepaid spots will be secured on the Google Sheet.

Due to limited space, do not sign up if you cannot attend. Repeated offenders will be billed and/or limited from access to the services.

Late pickups from class will be billed for the flat rate according to the schedule.

The first registration link will be sent via Brightwheel on August 10, 2023. Each link following will be sent out the 2nd Tuesday of the month.
